

Happy June 1st. Only 9 weeks until Band Camp begins. This summer will seem to fly by and then it will be that great time of year again- Marching Season.

I am really looking forward to the upcoming year and would like to just get a jumpstart on providing some information out to everyone and getting some feedback.

We are starting to look for people that will be willing to help with the concessions stand during band camp. If you can help please email Tara Cross at t_cross225@yahoo.com.

We will be providing hot dogs, candy, and drinks.

The dates and times are:

August 3-7 8:30- 1:00 pm Camp goes until 3:30 but we don't stay that long

August 10-14 3:30-7:00 pm Camp goes until 7:30 but we don't have to stay that long

I would also like to see who is interested in working at the Ren Fest again this fall. The dates are from Labor Day weekend until October 18th. We are trying to get the pop booth back by the jousting area and then they talked to us at the end of last year about doing the merchandise booths by the front entrance. If we get these we are looking at possibly 10 people a shift. Before I call and talk to them and confirm which spaces we will work I was wanting to get a good head count of those people willing to work so we can make sure and cover all our areas. So please email me back so I can start a list.

The money from Ren Fest will not be in to help with the OCU trip. We are looking at a couple other fundraiser's right away to help with this trip. Parents of underclassman please remember that even if the trip this coming spring is a smaller trip you are able to keep the money in your account for all future trips. It is nice to start the year with money in your child's account and then you don't have to worry about making that first trip payment or if another opportunity comes up like it did this year with the OSU trip you have money to help cover that as well. Make sure you are thinking about all your years in Winnetonka Band and not just this year.

We are also looking at other fundraising ideas through out the year- we will be starting the entertainment books in the August as well as doing possibly 3 coffee sales through out the year. And as always we will have the concession stand again during the basketball/wrestling season.

This year is going to be a great year and I look forward to working with everyone. If you have any ideas or would like to help out in any areas please let me know. Remember to check the pride band web site even through the summer as we will use that to communicate some things as well.

Thanks
