

Pride Band E Test Number 2

E test.: Use your mini notes.

If you have not recorded yourself using audacity, spend some time getting used to the program. Do not wait until the last minute to record, in the event you have problems.

Remember if you hit stop- it begins a new track – if you hit pause you can resume recording on that same line. If you hit exit- it deletes the entire line

The following instruments will be graded in class by Thursday, March 11

Tubas, Euph, Percussion, Bass Clarinet, Bari Sax

Emailed – recorded material must reach me by Friday March 12

Save as your lastname.yourinstrument.312

Example: setser.bcl.312 or setser.clarinet.312

Listen to your recording before you send it to make sure it is what you want to send.

Email your quiz to psetser@nkcsd.k12.mo.us as a mp3. Do not send it in any other form.

Save your recording to the desktop – it is easier to email from there.

Start your recording- say your name – then play

KEEP a copy in case your e mail fails to arrive.

Everyone plays from 336 to the end.

If you have more than 2 measures rest- skip them and play when you enter next.

Be in tune- and be up to tempo please.
